PRACTICE AREAS

- Multi-State Sales Tax and Compliance

Ashley joined Trout CPA in 2025, bringing broad experience in multi-state tax compliance, accounting, and tax technology implementation. Before joining the firm, she worked in roles spanning tax accounting and software implementation, where she managed complex projects, streamlined multi-state tax processes, and helped organizations integrate and optimize tax compliance systems.

As Sales and Use Tax Manager, Ashley leverages her expertise in multi-state sales and use tax compliance, data analysis, and technology implementations to help clients meet complex state and local tax requirements efficiently and accurately.

In her free time, Ashley enjoys spending time with family and friends.
