Karen joined Trout CPA in 2012 after working at a firm in the Chicago area since 2004. She graduated from Trinity International University with a Bachelor of Science degree in Business, with an emphasis in Accounting and a minor in Philosophy. She chairs the firm's Manufacturing & Distribution Industry Group and is an active member of the Construction & Real Estate Industry Group and the firm's Executive Committee.

As a professional, Karen gains a deep understanding of her clients' industry, goals, and needs so she can better advise them. She enjoys working closely with entrepreneurial business owners and their finance departments to contribute to their success. Her experience in manufacturing, distribution, and construction positions her to provide insightful advice on complex industry-specific issues. Her experience with transactions and succession planning gives her the ability to advise clients who want to explore their options.

Outside of her professional life, Karen enjoys activities with her husband and three sons. She enjoys reading and running. She recently accomplished her personal goal to run a full marathon in every state.
