Robert joined Trout CPA in 2025. He is a proven business leader, with over 30 years of business consulting. Bob graduated from Penn State University with a Bachelor of Science degree in Accounting.

As a Partner, Bob uses his skill set in financial and accounting services to help companies best manage their financial and operational needs. He enables business owners to understand and improve their business performance quickly and helps companies identify, improve, and streamline complex work processes.

In his free time, Bob enjoys staying active with travel and visiting the beach, as well as spending quality time with his family. He lives in Berks County with his wife Meribeth.
