Mike joined Trout CPA in October 2017. Mike spent fourteen years as a Valuation Services Partner and Practice Leader with large regional and national accounting firms in the Philadelphia area, where he devoted his entire practice to the business valuation specialty. He has substantial experience with mergers and acquisitions and in valuing business enterprises, closely held securities, and intellectual property.

Over his career, Mike has valued hundreds of businesses and intangible assets. Businesses range from early-stage enterprises to middle-market and public companies. He has also served as an expert witness in legal proceedings relative to valuation issues. His experience includes the rebuttal of opposing experts' opinions, affirmative damages calculations, and related deposition and testimony.

Mike is a frequent speaker on business valuation, succession planning, intangible asset valuation, and fair value accounting. He previously served as the President of the PA East Chapter of NACVA and taught accounting in the MBA Program at the University of the Sciences in Philadelphia.
